*****IMPORTANT*****

KYOTO STATION IS BIG AND THERE ARE MANY EXITS - BE SURE YOU GET TO THE HACHIJŌ EAST EXIT (NOT WEST OR CENTRAL).

IF YOU ARE UNSURE, ASK ANY STATION STAFF AND THEY WILL GUIDE YOU IF YOU CANNOT SEE A MCDONALDS, YOU MAY BE IN THE WRONG PLACE!!!

From the Hachijo East Exit, use this map or the photos on the next page.

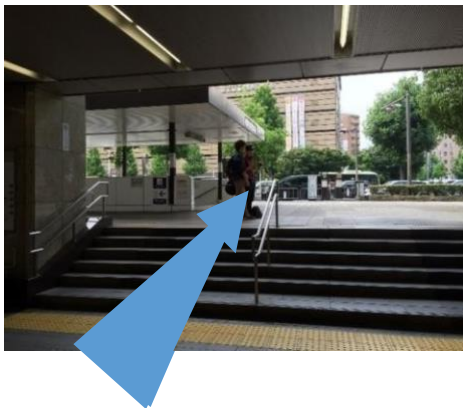

From inside the station, the gate looks like this

From outside the station, the gate looks like this

1. Turn your back on the ticket barrier, exit up the short flight of stairs and cross the road toward the AVANTI building (as shown below). You are now walking south ☺

2. Keep the AVANTI building on your left and continue south, cross the road and pass the Daily Yamazaki convenience store on your left.

3. Take a left at the white restaurant building with a green roof and follow the alley until you reach our place. You will see the blue bike outside.

You made it!
